MAJOR HEADLINE

Leading manufacturer of thermal circuit protection expands Rocky Mountain market coverage

JACKSON, MI, February 12, 2010 - Mechanical Products Company (MP) today announced the appointment of Donohue Sales Company as its representative for Colorado, Utah, Wyoming, and Montana. Donohue Sales Company will be responsible for the sale and support of Mechanical Products thermal protectors and circuit breakers.

Eric Gefvert, Regional Sales Manager, said "Mechanical Products is lucky to add Donohue Sales to our line up of factory representatives. Paul has known the customers in his territory for over thirty years. He is a local resource for his Engineering community to solve problems and create opportunities for his factories."

About Mechanical Products

MP has been a leading supplier of thermal circuit protection since 1943. MP circuit breakers are used in thousands of critical & commercial applications ranging from medical equipment, lighting, communications, appliances, battery operated devices, recreational vehicles and electrical protection equipment. MP has been management owned since 1998, headquartered in Jackson, MI and maintains manufacturing capabilities in the US and overseas.

About Donohue Sales Company

Donohue Sales Company is an Electronics Manufacturers' Representative firm, based in Denver Colorado, representing manufacturers of electronic, mechanical and electromechanical products. Since 1979 Donohue Sales Company has provided professional field sales coverage of customers in Colorado, Utah, Wyoming, Idaho and Montana. Customers include manufacturers of test instruments, computer peripherals, office automation equipment, medical electronics, telecommunication equipment, consumer electronics, aerospace systems, industrial controls as well as design firms, distributors and contract manufacturers.
