Mechanical Products Appoints MEC Sales.

Leading manufacturer of thermal circuit protection devices expands market coverage

JACKSON, MI – December 1, 2005 - Mechanical Products Company (MP) today announced the appointment of MEC Sales as its sales representative for New England, Upstate New York and New York City / Northern New Jersey. MEC Sales will be responsible for the sale and support of MP supplementary protectors and circuit breakers throughout the areas.

Kerry Nelson, Director of Sales, said, “MP is extremely excited to have MEC Sales join our sales team. The organization has a focused approach to the market and that is exactly what we are looking for to grow and expand our business.”

“MP’s products are well respected, it broadens our product portfolio for our customers and expands the markets we serve, commented Michael Carroccia, President of MEC Sales.”

About Mechanical Products

MP has been a leading supplier of thermal circuit protection since 1943. MP circuit breakers are used in thousands of critical & commercial applications ranging from medical equipment, lighting, communications, appliances, battery operated devices, recreational vehicles and electrical protection equipment. MP has been management owned since 1998, headquartered in Jackson, MI and maintains manufacturing capabilities in the US and overseas.
